We offer two options for worship on Sundays: in person or online. Whether you prefer to worship from the safety of your home or with others, we at St. John's want to make sure you get the spiritual encouragement you need. Join us in person each Sunday at 8:30am or watch a video recording of the online service. The service is not recorded live but is uploaded after the service has ended. We look forward to worshipping with you!

Letter From The Pastor

July 2022

As I write this, we are in the middle of a second contentious week in our nation. (Or perhaps I should say even more contentious.) Emotions are running high over recent Supreme Court decisions, and the ongoing Congressional hearings. Protest and celebrations are filling public spaces, as well as social media and the airwaves. It doesn't look like this will end soon. It is only another factor in the very divisive state that this country has been experiencing over the past few years. It is contributing to the ending of friendships and even some family relationships as has many of the issues of the last few years. As a result many are feeling hurt, attacked, betrayed, or enraged.* So, what does this have to do with the church? First, on these and all issues, I hope our faith informs our decisions and opinions both personally and how we believe it applies to others, and especially how we act in living that out.

However, even when it does, that doesn't mean we will always come to the same conclusions or decisions. And it is here that I think our faith has three words that if lived out would help heal the divisiveness if not the actual differences. They would enable more discussions instead of diatribes lobbed at each other that get us nowhere. The three words are: beloved, grace, and humility. First, beloved. You are a beloved child of God who desires only good and abundance for you. So is your neighbor across the street. As is that pundit on the news (take your pick from any of these listed in alphabetical order: CNN, FOX, MNSBC, Newsmax, etc.) that makes your blood pressure raise 100 points whenever you hear their voice, as well as the shouting angry voice in the crowd they are discussing. If we keep that in the forefront of our minds and spirits, it takes the edge of animosity off our thoughts and interactions.

Second, grace. God offers us all the grace that we are imperfect, will be wrong at times, and yet are still beloved. Grace from us recognizes that we don't know anyone else fully or why they believe or feel a certain way. Grace remembers all the times we have been coming from either good motives or fear, certain that the things we thought were right so must be continued, or wrong so must be stopped.

Letter From The Pastor

July 2022

So, if we have been, we can accept that others may be coming from similar places even if we are certain that they are wrong in what they do or say. Finally, humility. The humility to admit that we aren't always right. The humility to know that we are not God. While hopefully we are striving to live our lives in ways that God desires for all of God's family, we are still not God. So, no matter if "our side" is on the "winning" or "losing" side of an issue or decision, we remember that God is still at work bringing about good and grace for all God's beloved children, no matter who they are, what they believe, which side that they are on. Ours or other's actions and words are not always beloved by God. They may even grieve God, or break God's heart. But that doesn't change that we are still seen as beloved by God, who desires good and grace to all. I know when I can see that, if even only for moment before going back to it being hidden behind my own hurt, anger, or fears, well, then I am loving God and neighbor. And then my thoughts, my decisions, my actions at least for that moment, especially when it comes to those affecting others, will be one be informed and filled with God's Holy Spirit, as Jesus' was every day of his earthly life. It is said that during the Civil War that one of President Lincoln's advisors said that he was glad that God was on the Union's side. The response attributed to Lincoln includes the humility and grace that we need so desperately right now. "Sir, my concern is not whether God is on our side; my greatest concern is to be on God's side, for God is always right." We don't need to wonder if God is for us or against us, for we are always God's beloved, who God is for. But so is the person on "the opposite side." If we strive to discern what is God's side (hint: it probably is one of that is based on love and justice that sees all as worthy even in our differences) then even when we fall short, we are headed in the right direction. May God bless us, and keep us, until then.

*If you are feeling any or all of these and need to talk, please let me know. We can set up a time for you to come in, share what you need, and we can look together at where God is present for you and for others in the midst this. No matter what, we are never alone.

God's grace and peace.

Volunteers: Historians & Photographers

We are looking for a volunteer (or two) who would enjoy being the historian for the church. This would mean going through the old files and documents of the church, deciding what has value to keep. This can be done at your pace. This isn't an "official" position, so your term would be as long or brief as you decide.

Pastor Deb is also hoping that there might be some photographers who be willing to be contacted to see if they would be available to take pictures at special services or events that could be used either in the church newsletter, website, or press releases. This also isn't an "official" position, so is based on your availability, and how often or long you choose to do this. If you are interested in either of these, please let Dale Schmdtknecht or Pastor Deb know.

Message From The President

Hello Everyone!

I have just a few things that I need to bring up. First of all, just a reminder that as of Sunday, July 3, 2022 St. John's will be having our church services at 8:30am until the end of the year. We will be reviewing this closer to the end of the year to see if this schedule works for us and Hope UCC.

Next, I am still looking for an Elder to fill a spot that was vacated. Anyone interested please let me or Pastor Deb know.

We are looking for someone who is interested in the history of the church to be our historian. This person would kind of compile past history of our church. We are also looking for people who would be interested in taking pictures at any church event. These pictures could then be used on our church webpage to show anyone interested in what we are up to. Speaking of our webpage, it will be taking on a new look in the near future. The Consistory has decided that it is time to update the webpage, Facebook page and other social media. We have contracted with a local person to help us with this process.

Last, I would to remind everyone that the new lift which had to be replaced, is almost complete. Anyone wishing to contribute to the expense of replacing the lift, it would be greatly appreciated. Any donated money would be reimbursed back into our investments as that is where the Consistory voted to use money to pay for the lift.

God's grace and peace.
